VOL. 14, NUMBER 90 MONESSEN, PA, MONDAY, SEPTEMBER 27 1915 SIX CENTS THE WEEK

Once we thought work was a curse; then it came to us that it was a necessary evil; and yesterday the truth dawned upon us that it is a blessed privilege.—Hubbard.

Abolish fear and every man and woman is an orator or artist. The criminal and the untruthful person are obsessed by fear until the genial current of their life is turned awry.

Auto Accident

An air of mystery surrounds an automobile accident that occurred late Saturday night near Pricedale in which two colored men were seriously injured and an Overland touring car almost completely demolished.

It is reported that Henry Hobson and George Coffey secured the touring car which was being used as a jitney buss, to take them to a dance in Pricedale. The driver was a young man from this city with little experience, and in making one of the sharp turns on the hillside, the machine was toppled over the embankment, making two complete turns before it landed at the bottom. Coffey and Hobson were badly injured, while the driver escaped with only a few bruises. Both men were removed to the Monessen-Charleroi hospital and their wounds dressed. Coffey had a laceration of the skull that required a number of stitches while Hobson was bruised about the body. The men were evidently more scared than injured, and were discharged from the hospital yesterday.

Beat Little Boy

A foreigner from Monessen, leading a boy of about four years who was crying bitterly, narrowly escaped trouble this morning. He succeeded as it was, in stirring to indignation, several who saw him and ended in being ordered by the police to return home as quickly as he knew how.

The man had visited enough saloons it seemed to have acquired a substantial jag. The boy displeased him and he cuffed him severely. One or two citizens remonstrated and Burgess S. L. Woodward and Chief of Police Albright took the case in hand, seeing to it that the man and the boy boarded the next car for home.—Charleroi Mail.

Local Pastor Leaves

As a result of the U. B. conference held in Mt. Pleasant, Rev. B. F. Bungard, for the past three years pastor of the local United Brethren church, will accept a charge at Herminie, this county.

The departure of Rev. Bungard will cause many regrets locally, not only among the membership of his own congregation, but among the people of the town generally. He is a good citizen and able preacher, and in every way an agreeable gentleman. Rev. Bungard is at present a member of the Legislature of the Second Westmoreland district, which office he has filled with satisfaction to his constituents, and with credit to himself.

He will take up his pastoral duites early in October, and will likely leave Monessen as soon thereafter as is convenient. Rev. J. W. Wilson succeeds Rev. Bungard in the local church.

Infant Son Dead

Pressley Earl Peterman, the three months old son of Mr. and Mrs. R. L. Peterman, of 326 Schoonmaker avenue, died at 9 o'clock this morning. Funeral services will be held tomorrow afternoon at 3 o'clock at the home of the parents. The services will be in charge of Rev. J. M. Jamieson, pastor of the United Presbyterian church. Interment will be made in Grandview cemetery.

—Berkey H. Boyd and John L. Armitage received the endorsement for commissioner on the Washington party ticket, and John E. Shields is the standard bearer for sheriff. Thes three names were written on the ballot and they are the nominees of that party.

Shultz Wins

Fully four hundred fight fans from this city attended the boxing bouts at Charleroi Saturday evening and were well pleased with the outcome of each bout. The Monessen lads appearing on the bill done exceptionally well, and when Battling Shultz gained the decision over Eddie Wimler, of Fairhaven, the crowd went wild.

This was the main bout of the evening, and during the entire rounds, Shultz pummeled his much touted opponents at will. Wimler came here with an inflated reputation, having met such men as Johnny Ray and Patsy Brannigan, but his exhibition Saturday night was very poor and the local boy had everything his own way.

Eddie Hazel of Donora and Eddie Miller of Pittsburgh met in the preliminary with the Donora lad having the shade. Young Grimes of Roscoe, made a creditable showing against Solcolle of this city in all but the first round. In the opening bout of the evening, Willie Jones, who is fast coming to the front, made quick work of Young Loutitt of Monongahela, and knocked him out in the second round.

Candidate Injured

In coming up the stairway, leading from his cellar to the first floor of his home, our fellow townsmen, Geo. W. Deeds, tripped and fell, striking his right arm on a bottle, which broke and cut an ugly wound, last Saturday evening. The wound required a number of stitches and caused Mr. Deeds much pain. "Geo." has been left handed ever since.—Ligonier American.

"The Plunderer"

"The Plunderer" affords William Farnum a real "Farnum Part."—Big Bill Matthews of the Croix D'Or mine, a doughty, splendid steel-knit fellow, with a big warm heart and a punch in each hand. Bill and his parents are harassed by a secret enemy who imprisons them in a mine shaft, causes a strike of the workmen and blows up the reservoir upon which the power of the mine depends. These are only a few of the thrills that keep you breathless—hanging on to the arms of your seat. The final climax where Big Bill and his partner discover their enemy is the most stirring of all.

A pulse-stirring battle with bare fists in which Big Bill bests a score of drink-crazed miners in a fight, that for sheer thrills and heart-catching excitement has never been excelled on stage or screen, is one of the big features of this super-picture.

Then, too, there is a splendid double love story which leaves a happy glow in the spectator's mind. In fact the "Plunderer" is as perfect a photo play as has yet been achieved, and deals with clean manly men, affecting sentiment, the lust for yellow gold and swift, dynamic drama. This picture will be seen at the Star theatre today. 1t

STAR THEATRE

Today—William Farnum in "The Plunderer," a Fox feature.

Tuesday—Don't forget—"On the Night Stage."

Would Leave County

One of the strangest things that is likely to happen as the outcome of last Tuesday's primary election is a petition that a local voter contemplates circulating in an effort to get even for losing his vote.

The man declares that he is going to advance a movement here for the annexation of Monessen to Washington county. He is tired of Westmoreland county, its politics and its management and he wishes he could end it all. He was told that he ought to forget when he wasn't a candidate and it didn't concern him directly, but he replied that he would die any time for a friend. We have heard of men threatening to bolt their ticket on account of losing their vote, but this is the first time a man wants the whole town to leave the county in order to even up on the winner.

Independent Ticket

Rumors that an independent ticket will be formed to enter the fight on the borough ticket in Charleroi at the general election in November are being heard. Just what candidates the independent ticket would take up is a question.

The backers of the movement are not known, but the talk is originating with friends of some of those who are said to have lost their votes Tuesday through errors in registration or enrollment.

It is supposed that in the event of an independent ticket being put in the field, candidates who ran close but were defeated in the primaries would be asked to permit the use of their names. Other candidates in sympathy with the movement would be added to the list. Whether there would be names for all places on the ticket or not is a question. However the ticket would only be a borough ticket, according to the rumor.

MONESSEN OLYMPIC HOME OF THE PIFF PROGRAM

Attention! Attention!

The Olympic theatre wishes to call the attention of every man, woman and young person to the fact that this week is far above other ordinary weeks, not only as an entertainment, but a week containing daily educational, uplifting and moral lessons, ever heard from any Pulpit or platform.

Our clergymen and teachers should grasp this opportunity for a great lesson.

Although every day is guarnteed, containing a picture of high merit, we must admit that Tuesday, Thursday and Friday are the days on which we will have the most wonderful plays that ever appeared on any screen.

Tuesday—Hobart Bosworth with Lois Weber and Phillip Smalley reach their zenith in "Hypocrites."

SCHOOL CHILDREN ARE TO PASS DIRECTLY FROM HOME TO SCHOOL

On account of danger from automobiles and the damage done to lawns and trees by children congregating in crowds on the streets on their way to school, it is necessary for them to go directly from their homes to the school building.

Parents should see that their children do not start from home so as to get to school before 8:30 in the morning and 1:10 at noon, and should also, for the sake of their safety, urge them to walk on the sidewalk and go directly to school.

Please see that this regulation is observed.

Social Affair

What promises to be one of the big social events of the winter season will be a joint box social and dance to be held by the Scholastic Football team, on the evening of Sept. 28 in Kelly's hall.

Invitations have been mailed and the committee in charge promise all that come that they will have a most enjoyable time and that they have several innovations which have never been seen at any event of any kind.

They have arranged a musical program which will be altogether out of the ordinary. They have been fortunate in securing the services of a piano player who at one time was with the Redpath Chautauqua people.

A well known Charleroi quartette has also been secured. The hall will be tastefully decorated in the colors of the team, blue and white. And after the sale of the boxes, a five piece orchestra will render the music for the dancing. No admission will be charged, and you, personally, are requested to come and bring a friend, even though you didn't receive an invitation. Refreshments will be served during the sale and also during the dance.

A Popular Highway

The Donora American says:

"On Sunday afternoon last between the hours of 2:30 ,and 3:30 o'clock Borough Clerk G. W. Allen made a count of the number of vehicles passing a certain point on the new Riverside road, across from Donora. His figures show the pressing need there was for this highway and is an endorsement of the business policy of the public officials who favored the improvement. In one hour's time there passed just 121 automobiles, 6 buggies and 19 motor cycles, besides a large number of pedestrians. At one time an improved road was projected on this side of the river which woud have answered the same purpose as the Riverside road. Owing to its probable high cost, the road was shifted back from the river and is not used to any great extent. It usually proves the best economy to give the people the most for their money, even if the cost is greater. 1t

Brigadier Hunter Here

Captain and Mrs. Ives had as their guests Sunday, Brigadier Hunter, representing the Pittsburgh headquarters. This made the fourth time that the Brigadier has been here and he reports this one of the best trips yet. Four soldiers were taken in as members and four professed conversion. In spite of a heavy rain, the hall was filled. The Brigadier states that prospects look bright for the winter work of the army. A great number of garments for women and children have been donated for the Christmas work. Mr. Safier has very kindly donated a great number of brand new garments. If you should have anything, kindly call Captain Ives, Phone 432-J.

Good Picture Tomorrow

"On the Night Stage," a five reel Mutual masterpiece is the feature at the Star theatre tomorrow with Robert Edeson and S. S. Hart, two celebrated American actors in the leading parts.

In producing this virile drama of the Golden West, care was taken to set the scenes in a typical frontier town with towering mountains for a background. The wild free atmosphere of hill and plain pervades the picture, while excitement, thrill and danger enliven the action. For it is a story of real manhood in the making—a narrative of adventure and daring. It is a drama with a big theme—that love and friendship, after all, are the things worth while.

Mr. Edeson plays the part of a fighting parson, and there is a wonderful scene in which he battles single handed with a crowd of cowboys. For the most part, however, his acting is characterized by that sincerity and earnestness that befits the role. Mr. Hart as the avenging Road Agent, give a most remarkable portrayal of a "two-gun-man,"—a diamond in the rough—who is redeemed from the dangerous life of a bandit by the transforming power of a great love. At the Star tomorrow.

Art Exhibit

Supt. H. E. Gress of the local public schools, has made arrangements for an art exhibit to be shown in the new High school building from October 6 to 8th. From 4 to 5 and from 7 to 9 each evening during the dates mentioned. a fine collection of carbon photographs and engravings loaned by the Ellson Art Publishing company of Belmont, Mass., will be on exhibit. An admission fee of ten cents will be charged school children and 15 cents for adults.

The wholesome and refining influence of pictures of the right sort on the school walls is now generally recognized. and throughout the country, the decoration of school rooms with pictures of an inspirational kind are going on The plan here is to raise money for the purchase of these pictures.

The collection of pictures to be exhibited numbers 200 and contains reproductions of the masterpieces of different countries and periods. Nearly every gallery and country in the world would have to be visited to see the originals of the pictures reproduced. A catalogue of the pictures will be for sale at the time of the exhibit. Pupils of the schools are selling admission tickets, the two rooms selling the largest number to receive a picture as a prize.

The Farmer's Outlook

When the European nations are groaning under the blight of Mars, the United States has garnered the greatest harvest in her history Never within the agricultural statistics of our nation has nature been so bountiful, nay, even lavish, as during the present season The crops exceed those ever gathered by the people of any country, and it means plenty for the United States, even though her European neighbors like Belgium are starving.

It has been figured that if the grain crops of the country should be parceled among our people, each man, woman and child, would receive ten bushels of wheat, fourteen bushels of oats and forty bushels of corn. After our own people have taken from the soil as many bushels of grain as they will need to use this year, there will be a remainder of 400,000,000 bushels that we could sell to those countries abroad who have neglected their husbandry for the machine guns and the howitzer

In this bumper the wisdom of the American farmer is seen He realized that the war was to be a struggle that could only be ended by the prostration of one of the allied enemies So he gave his vast acres to grain alone, more tillage of the soil for this purpose than has ever been known in the history of farming in this country before If it were not for the war this overstimulation in grain would bring prices to a minimum. But the farmer realized, too, that the overproduction under normal conditions, would not be apparent this season The foreign demand for grain will be such that prices will be held at a maximum at home and abroad, and if the farmer is enabled to get his grain through embargoes and blockades, he will have become rich from the result of his labor.

Primary Echoes

The name Miller is a factor to be reckoned with in the politics of Westmoreland county—A. D. Miller for Treasurer, Harry S. Miller for Recorder and almost John D. Miller for controller.

Shields and Reamer in the mast head of the Greensburg Tribune will be accepting gracefully the wishes of the majority. This is a Democratic form of government.

The man who gets sore because his friend or his choice doesn't win should play a game where you get a prize with every package.

The man who can smile in the face of defeat or misfortune is the man worth while, and it takes such a man to be a politician.

Monessen's water fight will be just as interesting as the primaries of Tuesday. Just keep in mind that the people are going to fight, so says Dr. W. D Hunter who will be on council for for more years.

The Democratic candidates are coming to town early to look for some places. Some local Democrats are already advocating a "bolt." They'll feel the bolt in November all right.

The Jeannette Dispatch says Dr. Ringer ran a good vote at home. What good does that do, if they don't ring fast enough over the rest of the county?

If Berkey Boyd isn't "safe" this time, when will he ever be safe? He won't need to bow before the "powers" for the dignity and majesty of his cause will be upheld by the people

If you go to a hotel and order a meal, you pay for the whole meal, not just the things that are most pleasing to your appetite. It's the same with an election. You must accept what is set before you. If you don't, you don't believe in majority rule.

COULD NOT STAND ON FEET

Mrs. Baker So Weak—Could Not Do Her Work—Found Relief In Novel Way.

Adrian, Mich. — "I suffered terribly with female weakness and backache and got so weak that I could hardly do my work. When I washed my dishes I had to sit down and when I would sweep the floor I would get so weak that I would have to get a drink every few minutes, and before I did my dusting I would have to lie down. I got so poorly that my folks thought I was going into consumption. One day I found a piece of paper blowing around the yard and I picked it up and read it. It said 'Saved from the Grave,' and told what Lydia E. Pinkham's Vegetable Compound has done for women. I showed it to my husband and he said, 'Why don't you try it?' So I did, and after I had taken two bottles I felt better and I said to my husband, 'I don't need any more,' and he said 'You had better take it a little longer anyway.' So I took it for three months and got well and strong."—Mrs. ALONZO E. BAKER, 9 Tecumseh St., Adrian, Mich.

Not Well Enough to Work.

In these words is hidden the tragedy of many a woman, housekeeper or wage earner who supports herself and is often helping to support a family, on meagre wages. Whether in house, office, factory, shop, store or kitchen, woman should remember that there is one tried and true remedy for the ills to which all women are prone, and that is Lydia E. Pinkham's Vegetable Compound. It promotes that vigor which makes work easy. The Lydia E. Pinkham Medicine Co., Lynn, Mass.

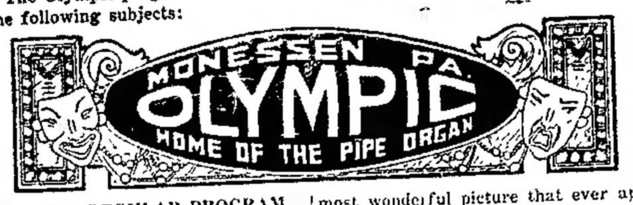
The Olympic program for the week commencing Sept. 27 wil consist of the following subjects:



WEEKS' REGULAR PROGRAM

TUESDAY — "The Queen of Hearts" a three reel G. Seal, featuring Anna Little and Herbert Raulinson. "How Early Saved the Farm," educational.

WEDNESDAY—"A Shriek in the Night," a two reel Victor, with J. Warren Kerrigan. "Gertie's Joy Ride." L KO. "The Last Word," Laemmle.

THURSDAY—"Joe Martin Turns 'Em Loose," a two reel animal comedy, fine. "In the Heart of the Hills" a Big U. "At the Beach Incognito," a Joker drama, featured by Max Asher and Gale Henry.

—FRIDAY—"In the Suburban," four reel Imp, with King Baggot, Frank Smith and Ned Reardon and fourteen more noted stars. At Atlantic coast. Locations by Frank Smith. Extraordinary. Props by Harry Gravilus. Costumes by Henry Worth. Music arranged by M. Winkler, direction of Geo. Lessey, an extraordinary feature.

SATURDAY—"The Surrender," in three reels, a Bison with Walcamp and Singleton. Animated Weekly.

WEEKS' SPECIAL PROGRAM EXTRAORDINARY FEATURE

MONDAY—Part Twelve of "The Broken Coin" in two reels—"A Cry in the Dark." Thrilling scenes in this episode were taken in the bull ring at Quarez, Mexico. Roleaux displays his wonderful strength in a real bull fight. A Universal. Magnificient serial by Emercon Hough, scenario by Grace Cunard.

TUESDAY—"Hypocrites" presented by Bosworth, one of the greatest actors of the world, the establisher of Paramount pictures and now with the Universal Film company. Bosworth, Lois Weber, wife of Phillips Smalley, and Smalley himself, have astonished the entire world with their productions. "Hypocrites" was one of the first and best ones. Then they were with the Paramount. Now all three are with the Universal. They have produced "Scandal," a Broadway Universal feature. Also "Jewel,"

WEEKS' SPECIAL EXTRAORDINARY FEATURES

which wil be shown at the Olympic theatre Thursday, Sept. 30. The most wonderful picture that ever appeared on any screen. Bosworth's next picture which will be shown at the Olympic will be Thursday, Oct. 17, entitled "Little Brother of the Rich." This is another wonderful picture, equal to "Hypocrites" and "Jewel." We are pleased to say that from now on the Universal Broadway features are without exception above any criticisms. They are far superior to the first Broadway Universal features "Hypocrites" and "Jewel" are great sermons. Clergymen of our town and surrounding towns will be benefitted from these great moral uplifting productions. School teachers must advise their pupils to take advantage of these great lessons of life. Let us hope so.

WEDNESDAY—"The Searchlight Gun," with Barrymore, White, Hale and the Mysterious Mr. X. One of "The Romance of Elaine" chapters. Useless to say anything about this picture, at least to thousands of people who know more about it than we do. It is fine, with no fault in it.

THURSDAY—The day of "Jewell" in five charming parts, featuring the sweetest little actress of America, Ella Hall and Robert Julian, produced by Lois Weber and Phillips Smalley from the famous novel "Jewell" by Clara Louise Burman. No ordinary film review can possibly convey the wonderful power of this idyllic play. The most hardened film critic unblushingly lets go to the extent that his frequent smiles are seen through tears.

FRIDAY—B. A. Rolfe photo play Co.'s production for the Metro Film Co., of "Fighting Bob," with Orrin Johnson on the leading role, in five acts of thrilling dramatic action. In both love and war, Bob displays great energy, perseverance and ability, and he is acclaimed president of the Republic and wins the girl for his wife.

SATURDAY—Chapter 19 of "The Diamond From the Sky" with $10,000 offered for the best suggestion. It is known and famed the world over. Many people do not sleep on Friday night for fear they might over sleep and miss our Saturday show. The manager of the Olympic is one of them.

OLYMPIC THEATRE TOMORROW

(continued from first page)

The world's greatest critics say: "Hypocrites has a wonderful appeal"—New York World. "Hypocrites is something new under the sun"—New York Journal. "Hypocrites is a picture all should see."—New York clergymen, etc. Thousands upon thousands of the same expression.

Thursday—"Jewel" taken from the famous novel, featuring Ella Hall, the sweetest actress of America, with Lois Weber and Phillip Smalley. From the world's greatest film critics for "Jewel." Boquets—John W. Semler, New York manager of the Morning Telegraph Motion Pictures says: "Jewell could not be better named. It is a picture that creates a something in the human mind that makes life seem better. It is beautiful beyond any expression of words and should be seen by every man, woman and child." F. C. Proctor of the Proctor theatre says: "Jewel is one of the best dramas I have seen. There's a heart throb in every scene, with a smile chasing each tear. It is wonderful, inspiring and beautiful." 500 pages of a book can be filled with such criticism.

Although the pictures have been played in most places for 25c and 50c admission, we have decided to give the opportunity to our patrons of seeing these great pictures. We will charge for "Hypocrites" only 10c admission straight. First floor and balcony. For "Jewel", which we consider even better and have paid more money, we will charge 10c for the balcony and 15c for first floor.

For Friday although we have two features of the highest quality—King Baggot, the famous actor in "The Suburban" in four reels, with 14 more stars, and a Metro production, "The Fighting Bob," in five reels, and you know what the Metro pictures are, a sure cure, no failure of any kind. But we will let them go at our regular price, 5c and 10c.

By speaking of the three days only, we don't mean that our other days are inferior picture days. No, no. Not by any means. They are not as good days as Tues., Thurs. and Friday yet they are above any ordinary week days, as "The Broken Coin," "The Romance of Elaine" and "The Diamond from the Sky" have already won a reputation. 1t
